

IOWA ASSOCIATION OF
MUNICIPAL UTILITIES

Creating a Heat/Illness Prevention Plan Webinar

Tuesday, April 25, 2023

The Iowa Association of Municipal Utilities' Safety Services will be holding a Creating a Heat/Illness Prevention Plan webinar. This webinar will focus on the following:

- Discuss the employer's responsibilities to those working in hot environments and to assist in creating a heat/illness prevention plan
- This plan must be made site specific and all employees that have a potential to be exposed to hot working environments must be trained using your specific plan
- A template for the plan will be provided to all that attend

Who Should Attend?

Supervisors and safety personnel responsible for developing or overseeing a heat stress program

Webinar Time and Length:

Tuesday, April 25, 2023 - 9:00 a.m. to 11:30 a.m.
